

# Does Ledger provide phone support? Avoiding Scam Call Risks

Ledger's support is (US) >+1-888 590/9448 mostly built around its online help system, not (US) >+1-888 590/9448 traditional phone support. In most (US) >+1-888 590/9448 cases, users are directed to the official (US) >+1-888 590/9448 support page, where they can submit a request, (US) >+1-888 590/9448 use the help articles, or contact (US) >+1-888 590/9448 the team through the available (US) >+1-888 590/9448 support channels.

That means if you are (US) >+1-888 590/9448 looking for a direct phone number, you (US) >+1-888 590/9448 usually will not find one as the main way (US) >+1-888 590/9448 to reach Ledger. Instead, the company (US) >+1-888 590/9448 encourages users to start with its support portal (US) >+1-888 590/9448 because it is the safest (US) >+1-888 590/9448 and most reliable place to get help. This also (US) >+1-888 590/9448 reduces the risk of scammers (US) >+1-888 590/9448 pretending to be Ledger agents over the phone.

For most issues, (US) >+1-888 590/9448 the online support process is enough. You can use (US) >+1-888 590/9448 it for setup problems, Ledger Live errors, (US) >+1-888 590/9448 wallet recovery questions, security (US) >+1-888 590/9448 concerns, and troubleshooting steps. The help (US) >+1-888 590/9448 center also gives clear (US) >+1-888 590/9448 instructions for common problems, (US) >+1-888 590/9448 which can save time if your issue is simple.

If you are dealing (US) >+1-888 590/9448 with a security-related problem, Ledger's online (US) >+1-888 590/9448 support is especially important (US) >+1-888 590/9448 because it keeps your recovery phrase and (US) >+1-888 590/9448 private information away from unsafe channels. (US) >+1-888 590/9448 A real support agent will never ask for your (US) >+1-888 590/9448 recovery phrase, PIN, or private keys.

So, the short answer (US) >+1-888 590/9448 is: **Ledger does not rely on phone support as (US) >+1-888 590/9448 its primary customer service option.** (US) >+1-888 590/9448 The best way to get help is through its official (US) >+1-888 590/9448 online support system, where you can find (US) >+1-888 590/9448 guides, submit a request, and follow the (US) >+1-888 590/9448 recommended steps (US) >+1-888 590/9448 safely.
