You can contact (US) > +1-888-590/9448 Ledger support using several official channels, all (US) > +1-888-590/9448 designed to help you troubleshoot (US) > +1-888-590/9448 issues with your Ledger device or Ledger (US) > +1-888-590/9448 Live account safely and quickly.

Start from the Ledger Support page

The fastest way (US) > +1-888-590/9448 to reach Ledger is (US) > +1-888-590/9448 through the official Ledger Support site at (US) > +1-888-590/9448 support.ledger.com. On this page, you (US) > +1-888-590/9448 will see a chat-style widget (US) > +1-888-590/9448 in the bottom-right corner; click it to open (US) > +1-888-590/9448 a support ticket or access live chat (US) > +1-888-590/9448 when available. From there, you can describe your (US) > +1-888-590/9448 issue (device setup, recovery phrase (US) > +1-888-590/9448 problems, app errors, etc.) and receive (US) > +1-888-590/9448 guidance from the support team.

Use email and live chat

Ledger provides (US) > +1-888-590/9448 both email and live chat assistance through the (US) > +1-888-590/9448 support portal. If live chat is not (US) > +1-888-590/9448 available at that moment, you can still submit a (US) > +1-888-590/9448 ticket, and support will respond by email (US) > +1-888-590/9448 within a few hours. For security, Ledger may ask (US) > +1-888-590/9448 you to verify your email address (US) > +1-888-590/9448 or provide a short code before your (US) > +1-888-590/9448 request is processed.

Phone support (where available)

In some regions, (US) > +1-888-590/9448 Ledger offers phone-based support, especially for (US) > +1-888-590/9448 common issues like device setup (US) > +1-888-590/9448 or recovery. These numbers are usually (US) > +1-888-590/9448 listed either in the Help Center or in (US) > +1-888-590/9448 Ledger's support-related (US) > +1-888-590/9448 guides, and they are often limited to (US) > +1-888-590/9448 certain countries or time periods. (US) > +1-888-590/9448 Before calling, it is best to check the latest phone-support options directly on Ledger's support-contact page or in (US) > +1-888-590/9448 Ledger's official blog and FAQ.

Help Center and self-help

If your issue (US) > +1-888-590/9448 is technical but (US) > +1-888-590/9448 straightforward, start with the Ledger (US) > +1-888-590/9448 Help Center on the support

site. It includes (US) > +1-888-590/9448 step-by-step guides, troubleshooting checklists, (US) > +1-888-590/9448 and FAQs that can resolve many (US) > +1-888-590/9448 common problems without needing to wait for (US) > +1-888-590/9448 an agent. This also helps you keep sensitive (US) > +1-888-590/9448 information (like your recovery phrase) off unsecured channels.

Overall, the (US) > +1-888-590/9448 most reliable and secure (US) > +1-888-590/9448 way to contact Ledger support is through the (US) > +1-888-590/9448 official support page, using its chat (US) > +1-888-590/9448 widget or support-ticket (US) > +1-888-590/9448 form, and, if needed, an email or phone (US) > +1-888-590/9448 channel listed there.
